

Randolph Gymnastics

Protocols for

Reopening

When more guidelines and reopening restrictions are released this document will be updated.

Mask Guidelines

- Randolph Gymnastics will require masks to be worn while entering and exiting the facility.
- Students participating in classes will not be required to wear face masks.
- All employees will be required to wear a face mask while in the facility.

Class Capacity & Sanitation Procedures

- Randolph Gymnastics will offer smaller class sizes and modified lesson plans to allow safe distance between students and instructors.
- The number of students will be determined on state recommendations.
- During class small mats and equipment will be used in limited capacity and sanitized after each rotation.

Social Distancing

- All Students must stand 6 feet apart.
- There will be no gathering of students.
- Designated areas to store belongings at a safe distance will be in place.
- Students will avoid contact with other students. (No handshakes, hugs, etc.)
- Staff will maintain a safe distance from students. (No high fives, handshakes, etc.)

Student Safety

- Students will have to wear a mask to enter the facility.
- Students must bring in a labeled water bottle only.
- Students will not be able to use the water fountain during class.
- Students will not be allowed to bring in outside food or have access to the vending machine. This is to reduce gathering of students.

Drop Off Procedure In Front Of The Building (Student Safety Continued)

- Please arrive no more than 5 minutes before your class begins.
- Temperature checks will be done on both student and parent from inside the car.
- If either student and/or parent have a temperature above 100.4 degrees or above student and parent will not be permitted to enter the facility.
- Parents of students ages 5 and under will be permitted to have 1 parent enter the facility. Parents of students ages 6 and Up will be walked into the facility upon arrival by one of our staff members.
- Masks will be mandatory to wear by both parent and student to enter facility.
- Sanitizer and/or hand washing will be required before and after class.
- **Parents of 5 years and under:** If parent is unable to leave parent will be allowed in the upstairs viewing area. Social distancing of chairs will be adhered to.
- Siblings will not be allowed into the facility.
- **Parents of 6 years and older:** Parents and siblings will have to remain outside of the building. While outside please maintain social distancing with others.

Pick Up Procedure To Reduce Gathering (Student Safety Continued)

- Parents of students ages 5 and Under & Parents of student 6 years and older will exit the back of the building while using social distancing.
- Please make sure you are on time for the dismissal of your child.
- All students are required after class to either wash hands or receive hand sanitizer.

- All students will be required after class to wear a mask while exiting the facility.
- Parents will form a pick up line and students will be escorted to their parent's car by an instructor.
- Please make sure you have your child's first and last name displayed on a piece of paper on your dashboard.

Employee Protocols

- All employees will have their temperature checked before entering the facility.
- Any employee that has a temperature above 100.4 degrees will be sent home.
- Employees that should feel ill or has a fever within 24 hours of working are required to call out and must notify the manager as soon as possible.
- All employees will wash hands prior to teaching and after each class.
- All employees will follow the guidelines for PPE use.
- Employees will be trained on procedures and prepare to enforce social distancing protocols.
- Employees who are teaching classes will dispense hand sanitizer to all students after every rotation.
- Employees who are teaching will notify the office if a child is sneezing or cough and the office manager will bring that child to wash their hands.

Facility Cleaning

- EPA registered cleaning products will be used to clean throughout the gym.
- All surface areas will be disinfected before/between/after each class.
- Hand sanitizers will be placed throughout the facility.
- Entrance and exit points in the facility will be sanitized constantly.
- When possible doors will be propped open to prevent excess handling.
- Equipment will be sanitized after each class rotation.
- Restrooms and hard surfaces will be cleaned every hour.
